Agenda Item

10

Committee: International Accounting Education Standards Board

Meeting Location: Istanbul

Meeting Date: November 6 to 8, 2006

Objective of Agenda Item

- To note future meeting dates and locations

Background

The IAESB has agreed to hold three meetings per year, to assist with the achievement of its work program and strategic objectives. Meeting locations are determined by the principles of rotation, and of trying to link with regional events (or similar) wherever possible. One meeting per year is usually held in New York (IFAC's headquarters) to enable IFAC directors and other staff to attend at least one IAESB meeting annually.

Dates and Locations for 2007 Meetings

- February 27 - March 1, 2007 – New York¹;
- June 25 – 27, 2007 – Prague;
- October 2007 – to be decided. Possibly Beijing, China².

Proposed Locations for 2008 Meetings

- February - North America (to coincide with AAA international section conference if possible);
- June – Middle-East/Asia;
- October – Africa (to coincide with ECSAFA regional conference if possible).

Action Requested

The IAESB is asked to:

- Finalize (if possible) dates for its meeting in October 2007; and
- Propose dates (where possible) for its meetings in 2008.

¹ The CAG will hold its first meeting in 2007 on February 26 in New York, immediately preceding the IAESB's meeting

² We will speak to representatives from the Chinese member body during the WCOA, and hope to confirm our meeting in Beijing shortly afterwards.
